LNTM No 20/24

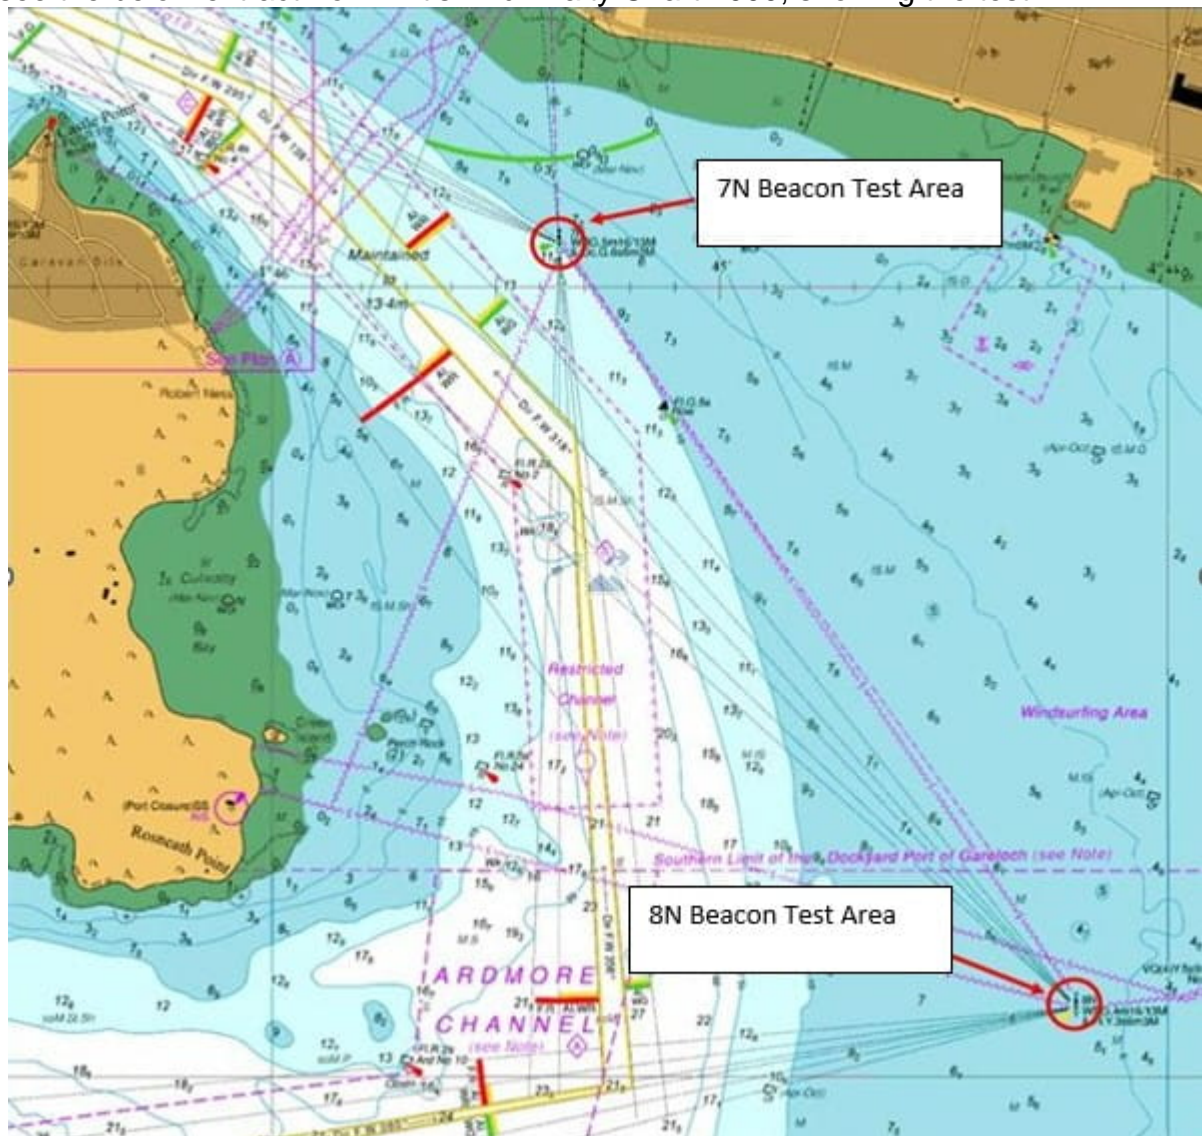

GARELOCH - ULTRASONIC TESTING ON 7N & 8N BEACON PILES

Notice

1. Mariners are advised that Workboat "Laura M" will be used as a platform to conduct ultrasonic testing on the structural piles on 7N & 8N beacons.

2. This work will take place between the 19th & 20th September 2024.

3. Please see the below extract from British Admiralty Chart 2000, showing the test

locations.

4. Please see below "Work Boat " Laura M" which will be used to conduct the test

work.

5.

Mariners are requested to navigate with caution in the vicinity of the test areas.

6. "Laura M" will be displaying appropriate day shapes and lights as per the International Regulations for Preventing Collision's at Sea (COLREGs) due to the Restricted Ability to Manoeuvre.

7. Further information can be obtained from KHM Clyde Harbour Control on 01436 674321 (Opt. Ext.3555)

8. Next LNTM 21/24.

9. The following KHM Clyde Local Notices to Mariners remain in force at the time of publication:
01/24, 02/24, 04/24, 05/24, 07/24,17/24,19/24, 20/24

Tuesday 10 Sep 2024

Nick Grove
Deputy King's Harbour Master Clyde
