DIRECTION No 009/25

PLYM GD 009_25 ORESTON NON-MOTORISED SAFETY LANE

DOCKYARD PORT OF PLYMOUTH

GENERAL DIRECTION 009/025

ORESTON NON-MOTORISED SAFETY LANE

1. This notice is a General Direction by the Kings Harbour Master Plymouth, on behalf of the Cattewater Harbour Commissioners.
2. To minimise mutual interference between motorised vessels and other harbour users in the vicinity of the Oreston Slipway, Cattewater (adjacent to Plym Yacht Club), a series of 5 Yellow Marker floats (unlit) have been laid immediately south of the slipway (approximate position 50° 21.760'N, 004° 06.625'W) due south for approximately 40m, creating a non-motorised safety lane adjacent to the sea wall.
3. To maximise harbour safety, users of motorised vessels are directed to remain to the west of this lane, to the seaward side of the marker floats, as far as is safe and practicable.
